more total pay than they paid the British Sowar. In such case the Durbar would be obliged by its contract with the Mysore fighting men to pay them the difference between British & Mysore ~~to the Mysore Sowar~~.

As the Durbar would be re-lieved of the pay of the Force while thus employed outside the State they could well afford to pay this dif-ference.

Questions such as those raised by the Military Assistant may, I think be considered when they arise. The last para of Military Assistants note of the 12th inst is incorrect: Para 2 of the 1st asst Residents letter makes it clear that we should not be relieved of the ordinary pay of the troops.

SERIAL No. 1-2

FROM

R. C. H. MOSS. KING, ESQ., I. C. S.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 18th March 190

SIR,

In view of the fact that it has been found to be desirable occasionally to employ Imperial Service Troops on garrison or other duty beyond the limits of their States in time of peace, the Government of India have decided to issue rules for regulating the grant, at Imperial expense, of any extra pay, allowances or special priviliges which such employment may involve.

2. The general principle is that the ordinary pay of troops ~~of all~~ and all expenses which would under ordinary circumstances be paid by the Durbar will be chargeable to the State concerned, while charges incidental to the move of the Troops and their employment outside their States will be defrayed by the Imperial Government. Having regard to this principle, the Governor-General in Council has been pleased to specify that the following charges will be payable by Government:-

1. TRANSPORT.-Cost of transport by rail. Unless otherwise specified, the corps will move on relief scale.

In the case of a corps being moved by route march all necessary transport except that which is maintained by the State as part of

the regular organization of the unit will be supplied or paid for by Government.

2.EXTRA ALLOWANCES.-(a)Special allowances will be paid to the Senior Officers as follows:-

Commandants.	£100 monthly
First Assistant Commandants.	80 "
Second Assistant Commandants & Squadron Commanders	60 "
Adjutants.	50 "

(b) All other fighting men and hospital assistants will receive pay according to the scale laid down in the Standing Orders of the unit concerned, if such terms would have been due, had the troops been employed outside the limits of the Empire.

NOTE.-Batta will only be paid in addition to compensation when it is the regular rule of the State to pay both, and the amount of the batta allowed in such cases will be regulated so as to ensure that the aggregate pay, batta and compensation paid to Hospital Assistants and fighting men of the Imperial Service Troops does not exceed the aggregate pay and compensation paid to corresponding ranks of the Indian Army when serving under the same circumstances.

(c) Artificers and Gunners paid by the Darbar will receive compensation to make their pay equal to that of the same class of followers in the employ of Government on this spot.

3. COMPENSATION FOR DEARNESS OF PROVISIONS.-Compensation for dearness of provisions for all ranks and for followers and also for dearness of forage will remain for authorised troops will be granted on the same terms as those laid down for the native troops-vide(2)(b) note.

4.FREE RATIONS.-Free rations will be granted in stations where they are issued free to Native troops-i.e., at certain frontier posts.

5.-LOCAL CONCESSIONS.-Any local concessions granted to Native troops will be considered to apply to Imperial Service troops of the same arm serving under the same conditions e.g., in lieu of special warm clothing.

6.-HOUSING &c.-All expenses on account of housing, also for water-supply and conservancy &c will be met, if the residential establishments have to be increased.

7.-PASSAGES FOR FAMILIES.-Free passages to and from their homes will be granted to men proceeding on furlough up to 30 per cent of the strength of the troops. This includes men proceeding on leave on medical certificate.
